§ 404.1275 Adjustment of employee contributions—for wages paid prior to 1987.

The amount of contributions a State deducts from an employee's remuneration for covered services, or any correction of that amount, is a matter between the employee and the State or political subdivision. The State shall show any correction of an employee's contribution on statements it furnishes the employee under § 404.1225 of this part. Where the State issues an employee a Form W-2 and then submits an overpayment adjustment but claims less than the total overpaid amount as a refund or credit, the State shall not correct the previously issued Form W-2 to reflect that adjustment.

§ 404.1276 Reports and payments erroneously made to Internal Revenue Service—transfer of funds—for wages paid prior to 1987.

(a) *General.* In some instances, State or local governmental entities not covered under an agreement make reports and pay contributions to IRS under the Federal Insurance Contributions Act (FICA) procedures applicable to private employers in the mistaken belief that this provides Social Security coverage under section 218 of the Act for their employees. In other instances, entities which are covered under an agreement erroneously report to IRS, or a State or local government employee reports other employees to IRS or reports to IRS as a self-employed individual. Where these reports and payments are erroneously made to IRS, the State

may correct the error and obtain coverage under its agreement as described in paragraphs (b) through (f) of this section.

(b) *Political subdivision not included in the State agreement.* We notify the State that if it desires coverage, it may be provided by either a regular modification or an error modification, depending on the circumstances (§§ 404.1215 and 404.1216). In most cases, the State may obtain coverage by a regular modification. If a regular modification cannot be used (e.g., State law does not permit the retroactive effective date which would be desired), the State may use an error modification. The effective date of either modification depends on the facts of the situation being corrected.

(c) *Political subdivision included in the agreement.* If a political subdivision included in the agreement erroneously makes reports and payments under FICA procedures, the State must correct the reportings for periods not barred by the statute of limitations. If the covered entity reported both under the agreement and under FICA procedures, we notify IRS and make necessary corrections in the earnings records. We also advise the State that the entity which reported under FICA procedures should request a refund of payments erroneously made to IRS.

(d) *State and local government employees erroneously reported as employees of individual or as self-employed—(1) Covered entity.* If employees of a covered entity are erroneously reported as employees of an individual or as self-employed, we advise the State that the individual who made the reports should request a refund from IRS for periods not barred by the statute of limitations. We require the State to file correctional reports and returns for any periods open under the State and local statute of limitations.

(2) *Noncovered entity.* We advise the State that the individual who made the reports should request a refund from IRS for the periods not barred by the statute of limitations. If the State wishes to provide coverage, it must submit a modification as discussed in paragraph (b) of this section. If the
